You decide if God is trying to get our attention. The attributes that make the use of unmanned preferable to manned aircraft in the above three roles are, in the case of the dull, the better sustained alertness of machines over that of humans and, for the dirty and the dangerous, the lower political and human cost if the mission is lost, and greater probability that the mission will be successful. E-mail is here to stay, but that doesn't mean kids shouldn't learn how to write a friendly letter. It's a great opportunity and it's something that will be at the forefront of my focus for years to come. Your Email.
