Being a child of the 80's, there are the typical eye-rolls involved; some questionable handling of race, and despite Tiger's growth as a character and bending to some degree on his attitudes toward women, it's still a pretty sexist book. I thanked him very much for his help. These seemingly random events are actually signposts that can help you successfully navigate your career, relationships, and interests. It is like this with events as well, and the dialogue is surprisingly expositional in its nature with far too many characters seemed to be talking just for the sake of filling in blanks or moving

to the next scene. Aug 05, Thomas Bitt rated it it was amazing  
Shelves: hotwife-cuckoldfavorites.
