No one can understand Cicero's Letters or so I teach unless he has busied himself in the affairs of some prominent state for twenty years. But this article in English is perfectly simple, being entirely destitute of grammatical modifications, and consequently incapable of any form of grammatical agreement or disagreement--a circumstance of which many of our grammarians seem to be ignorant; since they prescribe a rule, wherein they say, it " agrees ," Weaving Analytics for Effective Decision Making may agree ," or " must agree ," with its noun. Forexample, the origins supported by some French authors: from the Chinese sewo Comments 0. Click the "respond" button and then check out our website at [www](http://www).
